

My Ugandan Child has started Vol-
untourism where volunteers who
have a chance to visit and discover
the beautiful climate and wildlife in
Uganda especially for the areas that are
near Kasese where our head offices
are. Our volunteers will experience
the benefits of volunteering along-
side touring the tourist sites in
Kasese.

Thank you our dear volunteers

We have volunteers who have been doing
tremendous work online, we would like to
tell you that you very much for the great
work well done.

Made especially for you by:
